agatha christie and the guilty pleasure of poison examines christie s female poisoners in the context of christie s own experience in pharmacy and of detective fiction in doing so it uncovers an overlooked dynamic in which female poisoners deliver well deserved comeuppance for gendered and classed wrongdoing ordinarily accepted in everyday life while critics have long recognized male outlaws like robin hood who use crime to oppose a corrupt system this book contends that female outlaws witches and poisoners offer a similar heritage of empowered femininity far from cozy and formulaic agatha christie s outlaw poisoners offer readers the surprising pleasures of comeuppance and they set the stage for contemporary detective fiction writers more recent films depicting poisoning as empowering and even poison gardens which are tourist destinations that offer visitors the guilty pleasure of poison

an informed introduction to the christie phenomenon updated to include new material on the final poirot adaptation series and sophie hannah s the monogram murders since her debut in 1920 with the mysterious affair at styles agatha christie has become the chief proponent of the english village murder mystery although she created two enormously popular characters the belgian detective hercule

Poirot and the inquisitive elderly spinster and amateur sleuth Miss Jane Marple of St Mary Mead. It is not generally acknowledged that she wrote in many different genres: comic mysteries, why-didn't-they-ask-Evans atmospheric whodunits, murder on the Orient Express, espionage thrillers, and romances. Under the pseudonym of Mary Westmacott, she plays the mousetrap and poetry. She was never afraid to break the rules, either, and provoked a storm of controversy with the unorthodox resolution of the murder of Roger Ackroyd, now acclaimed as one of the classics of British crime fiction. Christie wrote complex whodunits in a clear, readable style, which is why her books are as popular now as they were 80 years ago. Exemplary film and TV adaptations: Peter Ustinov and David Suchet as Poirot; Margaret Rutherford and Joan Hickson as Miss Marple. Have also encouraged new readers to search out her work. The film, TV, and stage adaptations are listed in this guide, and appendices point readers to books and websites where they can find out more.
